

Meet the Teacher!!!

Welcome to 3rd Grade!!

I am pleased to welcome you to the 2020-2021 school year! I am looking forward to having your child as a student. Third grade is such a fun year with so many learning opportunities. In order to have a fun year, the most important goal is to create a family of learners within the classroom and virtually. I am committed to creating a classroom environment where your child is valued, trusted, and an integral part of our family of learners. In order to accomplish this (especially in these strange times), I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

About me!

Hi! My name is Miss Miranda Atchison! I am 23 years young! I enjoy all things outdoors including tending to our chickens, cows, horses, cats, and dog. I have lived in Phillips County my entire life which makes it super special to me that I get to teach little minds in my home county. This summer I spent my time working harvest, photographing beautiful families, and getting ready for you all!! I have always had a passion for kids and believe that they are the future of tomorrow. I am excited to get to know your child better as we both teach each other valuable lessons!

My education!

I started my education at Kirwin Elementary school and graduated from Thunder Ridge in Kensington. Last winter I graduated from the Teacher Education Program at Fort Hays State University with a B.S. in Elementary Education with a minor in Special Education. My plan is to continue my education and start my Master's degree this coming summer.
